CSS Checkout Button

The **Checkout** button will automatically calculate all applicable fees, dues, and taxes, giving you a clear and complete view of your total invoice before submitting your order.

How to Use the Checkout Button:

Placing a New Order: Instead of using the Reprice button, simply click on the new **Checkout** button to see the final invoice total before confirming your order.

<u>Order Revisions</u>: Should you need to revise your order, select **Revise Order**, make the necessary edits, and then click on the **Checkout** button again. This will automatically update the invoice total to reflect any changes made.

<u>Place Order</u>: Once your order is complete, click the **Place Order** button to submit it. Your order has now been successfully submitted.

Should you have any questions or require assistance, please contact the Liquor Contact Centre at 204-474-5500 or LiquorContactCentre@mbll.ca.
