RE: Changes to Freight Rates effective: September 1, 2023

Please be advised that certain freight rates will be changing effective September 1, 2023. See the attached schedules for new rates.

Manitoba Liquor & Lotteries is giving all suppliers and marketing representatives the opportunity to re-quote invoice costs in order to adjust desired retail prices. As outlined in the memo "Price Change Process Improvements" distributed October 22, 2019, if there is no desired to change retail price, no action is required, and case cost will be automatically adjusted to maintain current retail price.

All submissions must be submitted to the price change mailbox: pricechange@mbll.ca Submissions to other email addresses will not be actioned. Price change requests must be completed on the MBLL Price Change Request Form, and submitted by **11:59 pm Sunday, July 30th, 2023**. To increase accuracy, please ensure your submission is completed in a single Form.

Updated pricing calculator and price change submission form are attached. Refrain from using any old versions as they will not be accepted.

Reminder effective April 9, 2018, the retail price overrides were removed from all Fringe (C) items. You are now required to submit pricing information along with General (A) and Specialty (B) items. Listed Fringe (C) items are no longer eligible for case cost adjustments on open purchase orders outside of the established price change schedule and process.

If you have any questions, please contact ProductManagementCoordination@mbll.ca .
