Attention: Manitoba Liquor & Lotteries business partners

**Re: Accessibility Grants**

CC: MBLL Accessibility & French Language Services Committee

Manitoba Liquor & Lotteries is committed to equal access and participation for all people, regardless of their abilities. We treat all people in a way that allows them to maintain their dignity and independence by identifying, removing and preventing barriers to accessibility, and meeting the requirements of *The Accessibility for Manitobans Act (AMA)*.

To help support our commitment, we would like to bring attention to our business partners that there is a grant program provided by the Manitoba Accessibility Fund that you may be eligible for. The fund and its grant program is designed to assist municipalities, non-profit organizations and businesses in Manitoba by providing financial support for projects that remove barriers for people with disabilities, and promote accessibility across the province.

**Grants of up to \$50,000 are available this year, however the intake period closes Friday, March 10, 2023, so time is running out.**

Applications must fulfill at least one of the following objectives:

- raise awareness about the prevention and removal of barriers
- develop tools, resources and training to support compliance with AMA standards
- remove barriers to information and communications electronically, in print and in person

To submit your application or to learn more about the Manitoba Accessibility Fund, please visit the [Manitoba Accessibility Fund](#).

We invite our business partners to consider the benefits of this program and make Manitoba more accessible for all.
