Please accept this declaration of production along with the attached independent verification documentation to certify that:

Manufacturer's Name:  Date:

Please complete the below information verifying total production\* of beverage alcohol products within your facilities during the previous calendar year.

Calendar year reported

Beer  (hecolitres)  
Wine  (litres of finished product)  
Spirits  (litres of finished product)

If you are a microbrewery with annual worldwide production of less than 7,000 hectolitres please provide the breakdown between draught and packaged product.

Draught  (hecolitres)  
Packaged  (hecolitres)  
Total  (hecolitres)

\*To produce spirits means to bring spirits into existence by distillation or by any other process, or to recover spirits, and are considered to have come into existence at the earliest point at which they can be reasonably measured

\*Draught - Beer prepackaged to be sold by the glass or in growler format.

\*Packaged Product - Beer prepacked and sold through single serve or case format

*Manitoba Liquor and Lotteries beer markup rates are determined by the total liquor production of the manufacturer, including all contracted/leased volumes being produced at its other facilities, based on the previous calendar year.*

I certify that:

- 1) The information provided in this document is true and accurate, and I assume the responsibility for providing such representations. I understand that I will be held accountable for any false statements or material omissions made on or in connections with this Declaration.
- 2) I agree to maintain and present upon request, documentation necessary to support this Declaration and to inform, in writing, Manitoba Liquor and Lotteries Corporation of any changes that would affect the accuracy or validity of this Declaration.
- 3) Providing false declarations of production level or production method will result in penalties up to and including chargeback of reduced markup, processing fees and potential termination of products
