DISTRIBUTED BEER  
RE: EMPTY BEER BOTTLE/CAN/PET CONTAINER RETURNS**

Attached are lists of beer products sold in the province of Manitoba. All containers carry a 10¢ refundable deposit with the exception of containers 2 litres or larger which are 20¢. **Note: Please continue to follow any Covid-19 protocols you have in place.** These lists are also available at [www.mblpartners.ca](http://www.mblpartners.ca).

As per Regulation 68/2014 of Manitoba Liquor and Lotteries Board Regulation to The Manitoba Liquor and Lotteries Corporation Act:

**‘1 Unless authorized by the corporation, a retail beer vendor must**

- (a) accept empty beer bottles or beer cans from products purchased in Manitoba on which a refundable deposit has been paid;**

**Empty containers are to be sorted by distributor.**

As a reminder, WETT Sales & Distribution Inc. is responsible for the pick-up of all containers sold only through MBLL Liquor Marts and Liquor Vendors. Hotel Beer Vendors/Vendors approved to sell Privately Distributed Beer are required to sort by distributor in the usual manner.

If you are unsure if the product has been sold in Manitoba and is eligible for a refund, in the interest of customer service and if the quantities are reasonable, please accept them from the customer and return them through WETT Sales in the normal manner.

Should you have any questions, please email [supplychainadministration@mbl.ca](mailto:supplychainadministration@mbl.ca)

Yours truly,

Laurie Kennedy
