

**TO:** All Domestic Suppliers, Industry Representatives and Specialty Wine Stores  
**FROM:** Manitoba Liquor and Lotteries Purchasing Administration Department  
**DATE:** November 9, 2021  
**RE:** **Changes to Freight and Exchange Rates effective: January 1, 2022**

Dear Sir or Madam:

Please be advised that certain freight and exchange rates will be changing effective January 1, 2022.

Manitoba Liquor & Lotteries is giving all suppliers and marketing representatives the opportunity to re-quote invoice costs in order to adjust desired retail prices. As outlined in the memo *"Price Change Process Improvements"* distributed October 22, 2019, **if there is no desired change to retail price no action is required, and case cost will be automatically adjusted to maintain current retail price.**

Please see the attached schedules for new rates.

**Please note all submissions must be submitted to the price change submission mailbox [pricechange@mbll.ca](mailto:pricechange@mbll.ca). Submissions to other email addresses will not be actioned.** Price change requests must be completed on the attached MBLL Price Change Request Form, and submitted by **11:59 pm Friday, November 19, 2021**. Updated pricing calculator and price change submission forms are attached; please refrain from using any old versions as they will **not** be accepted.

In order to increase accuracy, please ensure your submission is completed in a single Excel worksheet (on a single tab).

Reminder effective April 9, 2018, the retail price overrides were removed from all Fringe (C) items. You are now required to submit pricing information along with General (A) and Specialty (B) items. Listed Fringe (C) items are no longer eligible for case cost adjustments on open purchase orders outside of the established price change schedule and process.

If you have any questions, please contact [ProductManagementCoordination@mbll.ca](mailto:ProductManagementCoordination@mbll.ca).

Regards,

A handwritten signature in black ink that reads "Mark Ogg".

Mark Ogg,  
Manager, Product Administration and Pricing Development
