RE: **Changes to Freight and Exchange Rates effective: July 1, 2019**

Dear Sir or Madam:

Please be advised that some freight and exchange rates will be changing effective July 1, 2019.

Manitoba Liquor & Lotteries is giving all suppliers and marketing representatives the opportunity to re-quote invoice costs in order to maintain desired retail prices. Please see the attached schedules for new rates.

Please note all submissions must be submitted to the price change submission mailbox pricechange@mbll.ca. Price change requests must be completed on the attached new MBLL Price Change Request Form, and submitted by **Friday, May 17, 2019**. Updated pricing calculator and price change submission forms are attached; please refrain from using any old versions as they will **not** be accepted.

In order to increase accuracy, please ensure your submission is completed in a single Excel worksheet (on a single tab).

Reminder effective April 9, 2018, the retail price overrides were removed from all Fringe (C) items. You are now required to submit pricing information along with General (A) and Specialty (B) items. Listed Fringe (C) items are no longer eligible for case cost adjustments on open purchase orders outside of the established price change schedule and process.

If you have any questions, please contact ProductManagementCoordination@mbll.ca.

Regards,

Laurie Kennedy,
Manager, Supply Chain Administration
