RE: Freight Forwarder and Inland Carrier Changes

Good day,

Effective September 1, 2019, DHL Global Forwarding will be Manitoba Liquor & Lotteries' (MBLL) international freight forwarder and Bison Transport will be MBLL's eastern Canada inland carrier.

DHL and Bison will take over logistic services beginning September 1, 2019 and in preparation for the changeover may contact suppliers prior to September.

Any purchase orders issued prior to September 1, 2019 will still be transported through JF Hillebrand and Clarke Transport.

If you have any questions regarding the changes, please direct them to trafficinbound@mbll.ca.

Regards,

Brad Fulham
Director, Supply Chain
